Pleasant Family Physic.

A NENTIRELY VEGETABLE pre-aration, ploasant to the taste, unexcelled in its can upon the Liver, Stomach, and general system. As an antibilious and alterative physic, this medicine

HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of ten years in all cases where a good physic and alterative was required, and would not now do without it. It is the Physician's Assistant, as well as the safest family medicine in use. Children drink it with pleasure. It will not nauscate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all imparities from the system if it is properly taken. Already thousands of living witnesses are ready to testify to its superior virtuce, independent of its purgative and anti-billious qualities. It has cured the worst cases of Erysipelas in a few days. It is a never-failing cure for Headache, Liver Complaint, Jaundice, Kidney Complaint, Billious Fever, Pains in the Side, Back, Breast, and Limbs, Colds, Cramps, Werms, Lumbago, Blotches on the Skin, Plamples, Cutaneous Eruptions, Obstructions in the System, Constitution of the Bowels, Dizziness, Mercurial Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Ulcers of all kinds, &c. It cleauses by its superior medicinal virtues, the ulcerons bumor from the blood and corrupt bile from the stomach, carrying it off through the natural channels; it invigorates the blood and leaves the system medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity, and its sales have increased beyond the most sanguine hopes of its friends. Neighbors recommend it as a safe and unequalled physic! Physicians carry it with them. Children will take no other after one trial, and parents should use no other in their familes. Peop

These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am satisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscid humors, remove obstructions, regulate the eystem, purify the blood, and thus cure the complaint. The Rheumatic Liquid used with the Pills, to bathe the parts affected, will very much facilitate the cure. When the case is very obstinate, and does not yield readily to the above medicines, a Syrup made from the Alterative Powder, (which can be obtained at the same place with the Pills and Rheumatic Liquid,) must be taken according to directions accomplanying it; but in most instances the Fills alone, or the Pills and Liquid, will remove the complaint in a short time. BROTHERS' NEUTRALIZING MIXTURE For Diarrhan, Ciolera Morbus, and Summ. Complaints of Children.

Complaints of Children.

This Medicine possesses the power, in a very remarkable manner, of neutralizing the acidity of the Stomach, or removing the merid or acrid secretions of the Liver, which are the exciting cops s of howel complaints in general. It alloys sickness of the stomach, removes the pain, causes healthy exacustions from the bowels, at the same time acts as a gentle astringent. Hence it will be found a very superior and valuable remedy, in both acute and chronic diesses of the bowels, in Diarrhosa, Dysentery, Chalera Morbus, and Summer Complaints of Children. In all these complaints the liver is usually more or less affected, the stomach in an irritable, and the bowels in an inflamed condition. This medicine is more effectual in relieving all these organs, restoring the tone and natural functions. Among all the numerous remedies for these diseases, some of which are strongly recommended, this has proved itself, in every instance, to be the best, the surest, safest, and most effective of all. I do not think its equal can be found for children when teething, or as a remedy for bowel complaints. Price 50 cents.

TESTIMONY 1 at M ORTH CAROLINA.

Certificate of Dr. W. Smith, of Pins Hill, Rich mond County, North Carolina.

Pring Hill, March 2, 1854.

Dear Sir: I have been a subject of Dyspepsia, in its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must die. While in this condition, I was carried to the watering places to Virginia, Tennessee, and North Carolina, but was not benefited by any water to which I was taken. While on my way home, I stopped a week at Ruthertordion, a small village in North Carolina, to try the effect of some Chalyb ate water in that place. About the last of the week I went into a drag store to get some medicine for my child and myself. There were several of the village physicians in the stare, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hooffand's German Bitters," prepared by yea, and he insisted that I would try the Bitters. He also called the next day at my room, and insisted so much that I would try then that I asked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (he a dyspeptic,) and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for more of the same kind of medicine, saying he was more benefited by it than any other he had taken, but I have not been able to get any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

Respectfully, yours, Washerfore, please ship me a dozen or more as soon as possible.
